ABOUT US

Established by Mr. RAJEEV RANJAN in 2012, the objective of BR Irrigation is to bring in the happiness and prosperity in the lives of our customers. The idea is to work on the advanced irrigation technologies and products available globally and made them available to Indian people.

We are involved in trading of high quality irrigation equipment's (Sprinklers, Foggers, Drip components, Fittings, filters to name a few) and completing the turnkey projects (Park development and maintenance, Irrigation projects, Landscaping and Drinking water projects) provided by the customers.
